

## General Labor: Production/Warehouse

Company Overview: Aves Studio LLC. is a manufacturing facility. We make, package and ship modeling clays & paper maché products at our factory and sell them both retail and wholesale worldwide. Our product solves everyday sculptural & repair needs for artists, handyman repair people, hobbies, taxidermists, educators, manufactures and professionals around the globe. Some of our customers just to name a few are: Disney, DeWalt, Reebok, Adidas, Smithsonian Museum, Minnesota Zoo, Georgia Aquarium, Art Institute of Pittsburg, Atlantis Movie Production Studio, Art Educators, YouTube influencers and countless professional artists of all sorts. Learn about our products and see how they are used at [www.avesclay.com](http://www.avesclay.com)

- Self -Starter: Willingness and ability to follow directions well, and remember detail.
- Ability to repeatedly lift & pull 60 pounds with ease
- Production line: Lifting chunks of clay into machines, operating pug mills (easy to train someone), weighing, packaging, boxing, sealing etc. (Various production lines, multiple products)
- Moving and stacking pallets daily. (Average pallet weight is 45 lbs)
- Picking, packing & wrapping orders on pallets (items to be packed weight 5 - 55 lbs)
- Forklift operation (experience preferred but not necessary)
